Dear Sir:

Enclosed please find the List of Questions which had been given to me by a person whose name is probably known to you.

I mentioned the facts that can be proved by the documents that are in my possession, and I answered only those questions in which only I was concerned.

Since I do not know exactly what is the purpose of the above list, I left unanswered all the questions involving other persons, especially those living outside the United States. I hope, you understand my reasons for being cautious.

Sincerely yours,

*Juozas Brazaitis*
